Reg. No. 4316

Engr 22/12/23

The estimate is for Rs 1141, the annual ass. under the tanks is Rs 716. The excess over one years' ass. is Rs 425. This has to be met by Govt. It was decided in the meeting that in all such cases, sanction of Govt should be obtained before starting the works. As, however, the work is already seen to be in progress, this may perhaps be sanctioned.
